From the East

It's with sad news I report that W. Veryl Summerlin has passed the the celestial temple above, several of our brothers went to his services in Linden, FL.

The lodge is doing well and we are still selecting which carpet to put in the dining room.

Our Annual dinner honoring our Past Masters and Widows is on September 25th, everyone is invited, including friends, family and other brothers. Dinner is Chicken Marsala. If you need transportation to the event, we have several volunteers willing to pickup and dropoff. Please contact the lodge or myself for arrangements.

We have a District picnic planned for October 23rd at the Bahia Shrine, there will be several units, lots of food and bounce houses for the kids. Please come out and have fun with everyone. Several lodges are pooling their resources to get as many people and activities at this one large event.

It's getting close to the holidays and time to start thinking about our Christmas parade, we will be needing volunteers to help setup and children to ride.

I'd like to thank W. Tinsley and Br. Clark for tracking down the water leak at the lodge, it took several hours to get the main valve repaired and changing parts on one of the toilets.

We also have a District "Out Door Master Mason" degree, November 13th, with a Roast Pig & Beef briquette. Winter Garden will be hosting it at the last degree location on Keene Road.

FYI

Several improvements to the lodge building are planned during this year. Sealing or Replacing the upstairs windows, sealing the outside walls, repainting the building and replacing the dining room floor covering. If you can assist, either with elbow grease or building-fund donations it would be appreciated.

Sometime in the next few weeks we plan to redo the floor in the dining room.
